Back to Basics Collection Offers High-Performance Textiles

New Brentano upholsteries are most durable to date

Wheeling, IL (May 2012) — Building on their motto of beauty + performance, each Brentano collection offers textiles that range from high-end residential to incredibly durable contract fabrics. With Back to Basics, Brentano rolls out their most high-performance textiles to date that utilize antibacterial, solvent resistant, GreenShield, and Teflon finishes, as well as providing wearability up to 250,000 double rubs (Wyzenbeek).

With its large-scale, architectural pattern and 5 masculine colorways, **Schematic** is perfect for offices seeking a graphic pattern while requiring durability. This tailored, high-performance upholstery is 100% solution-dyed nylon, meaning it is bleach cleanable. It also has a GreenShield finish which increases moisture resistance and prevents stains in a more eco-friendly manner than other treatments. While the heathered ground gives it a soft look, **Schematic** passes 250,000 double rubs (Wyzenbeek).

About Brentano:

Founded in 1990 by Design Director Iris Wang and her husband, President E-Kwan Chen, Brentano has grown from a modest beginning of eight patterns to an internationally represented textile house. Brentano's fabrics stem from Wang's philosophy of balancing beauty + performance. Their growing collection of eco-fabrics expands this ideology by demanding textiles meet thoroughly researched standards of environmental consciousness while maintaining their beauty. Having celebrated their 20th anniversary in 2010, Brentano continues to offer a variety of innovative and interesting textiles, including eco-friendly faux leather, high performance upholstery, fire-resistant, outdoor, Crypton, Nano-Tex and GreenShield fabrics. Please visit www.brentanofabrics.com for more information.

Left to right: Schematic 1187-03, 04, 01, 02, 05

There's room in the plan for **Schematic**, a high-performance contract upholstery available in 5 masculine colors. 100% solution-dyed nylon, Schematic combines a large-scale yet refined architectural pattern with a heathered ground for a soft look. Perfect for offices looking for a graphic pattern while requiring durability, Schematic has a GreenShield finish, is bleach cleanable, and passes 250,000 double rubs (Wyzenbeek).
