## Award-Winning Pattern Joins Brentano's Jubilee New, 25<sup>th</sup> anniversary collection includes contract fabric Equinox

**Wheeling, Ill. (September 2015)** — In honor of Brentano's Silver Jubilee anniversary, the fall 2015 Jubilee collection delivers a signature balance of contract performance and residential flair that pushes the limits of expected design. One of the 20 new patterns, Equinox proved a showstopper at NeoCon and won an IIDA/HD Product Design award at the HD Expo this summer.

An intricate tessellation of triangles accented by saturated color facets, **Equinox** undulates from dark to light and back to dark in a metaphor for day and night. Designed for high-performance, contract applications, 54" Equinox has a strong, nylon warp with a GreenShield finish and abrasion resistance of 75,000 double rubs (Wyzenbeek, Cotton Duck). Cotton lends the construction its softness and rich coloration, while fine, post-consumer recycled polyester yarns define the pattern.

### About Brentano:

The Brentano Design Studio, led by Iris Wang, celebrates 25 years in 2015. The textile house has grown from a modest eight patterns in 1990 into an international source for polyurethane faux leather, outdoor, Crypton, Nano-Tex and GreenShield-finished, eco-friendly and fire retardant products. The carefully curated line reflects Iris' lifelong study of fine art, nature and Asian philosophy in beautiful, high-performing solutions for the contract, hospitality, healthcare and residential markets. *Equinox—Orion 4560-07*

Available in seven colorways, **Equinox's** tessellation of triangles imitates a modular art installation — but in a format, a high-performance, GreenShield-finished textile, that's easily applied to a surface.
