

FINAL DESTINATION FORM

Brentano is required by law to collect tax in Illinois. Sales tax will be charged on any shipment made by us into Illinois State unless a valid resale certificate can be provided.

If the goods are destined for another state in which no tax would be due, it is possible to have the tax removed by completion of this form. Please note that this form is only applicable if you are shipping to somewhere such as a workroom or freight forwarding company in Illinois State and the final destination of your shipment will be a non-taxable state or a state where you hold a valid resale certificate. If the final destination is a state where you hold a valid resale certificate, Brentano must have a completed resale certificate on file.

Please note that this completed form is only valid for the order number filled in below.
