

Romance - Fall 2024 Beautiful Species Collection

Known for lively and eye-catching designs, Brentano is bringing their initial prowess back to life with their Fall 2024 collection, Beautiful Species. The Beautiful Species Collection is a tribute to the environment and all living creatures, offering textiles that breathe life into your surroundings. Designed to inject vibrancy into any space and reflecting Founder, Iris Wang's, love for intricate designs, the collection takes inspiration from the wondrous beauty of our natural world.

An innovative grouping of textiles that incorporates Biophilic elements, two new vegan leathers, and Brentano's newest additions of 100% recycled content fabrics, the collection showcases the awe-inspiring beauty of nature. All these innovations underline the collection's commitment to cherishing our environment and celebrating the diverse life forms that grace it. Highlighting the collection is Rosette and sister fabric Tulliana, a contemporary and exaggerated spin on classic Leopard print. Complementing these are sister fabrics Calathea and Lotus, that elegantly display a dance of botanical elements.

Experience audacious patterns, refined textures, daring color blends, and even robust "color neutrals" from Brentano's burgeoning range. Perfectly suited for hospitality, contract, and residential interiors, these textiles breathe vitality into any space. They complete designs with their naturally inspired patterns and hues, truly bringing interiors to life.

Bower 8353

Contents: 100% Solution-Dyed Post-Consumer Recycled Polyester

PFAS-Free bleach cleanable

Bower is a breathtaking addition to Brentano's Green line of eco-friendly textiles, crafted from 100% Post-Consumer Solution-Dyed Polyester. Inspired by the bird that woos mates with extravagant nests made from upcycled objects, Bower is an exhilarating mix of texture and color. Showcasing mélange yarns, Bower comes in 13 inspiring shades, including the vibrant Bali Surf and the warm Pumpkin Amaretto, making it the perfect hero for your design spaces. With an abrasion of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), it's ideal for that cozy corner nook, your essential sofa, or those inviting entryway chairs. Plus, its soft touch, bleach-cleanability, PFAS-Free Stain Repellent and Acrylic backing make this eco-friendly superstar stand head and shoulders above the rest. Pair it with sister fabrics, Calathea and Lotus for a multi-dimensional aesthetic, or let it be the standout cornerstone of your lavish interiors.

Calathea 8352

Contents: 100% Solution-Dyed Post-Consumer Recycled Polyester

bleach cleanable

Get ready to be inspired by our newest addition to our Green Label products - the mesmerizing Calathea. This fabric imitates the stunning foliage of its namesake with its diffused, geometric leaf-like design. Made from 100% Post-Consumer Recycled Solution-Dyed Polyester, alongside its sister fabrics, Bower and Lotus, it adds a new dimension to our eco-friendly range. The Mélange yarns used in Calathea produce a subtle shading effect, resulting in a soft gradation throughout the fabric for a visual treat. Drawing inspiration from former pattern Raku, Calathea is available in 12 spectacular colorways. From the warmth of Amaretto Sour to the earthiness of Kindling Wood and Pueblo, there's a color for every mood. With an impressive abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), bleach cleanability, acrylic backing, and the option to add a PFAS-Free Stain Repellent, Calathea is a design that's as tough as it is beautiful.

Celosia 5015

Contents: 54% Polyester, 46% Acrylic

bleach cleanable

Prepare to be dazzled by Celosia, our new fabric that captures the irresistible beauty of its namesake, a charming genus of ornamental flowers. Its unique yarn creates an "eyelash" effect, perfectly echoing the fluffy fuzziness of a budding plant. The textured yarns weave a delightful, raised stripe across the pattern, adding layers upon layers of thrilling visual intrigue. Celosia is Oeko-Tex Standard 100 certified and available in 7 stunning colorways, ranging from soothing neutrals to hip 70's shades like Canyon Reef and Grapefruit. Crafted from 54% Polyester and 46% Acrylic, it's durable with an impressive 100,000 Double Rubs (Wyzenbeek, Cotton Duck) and even offers bleach cleanability. It's the perfect choice for jazzing up banquettes or creating standout seating.

Lotus 8351

Contents: 100% Solution-Dyed Post-Consumer Recycled Polyester

bleach cleanable

Be enchanted by our Lotus-inspired design. This interpretation is a true delight on the eyes, boasting two-toned colorways and geometric shapes that form a captivating mandala-like pattern. A sustainable solution made from 100% Post-Consumer Recycled Polyester, Lotus is an eco-friendly choice that's also bleach cleanable. Additionally, with an abrasion resistance of 100,000 Double Rubs, it's a durable selection for design interiors. Select from 12 stunning colorways, such as soft neutrals like Dove and Sand Dunes or bold and vibrant like Deep Sea and Pueblo. Pair it with our fabulous Bower and Calathea fabrics for smooth color transitions and extra visual appeal in residential and hospitality settings. You can also opt for a PFAS-Free Stain Repellent for design spaces in need of additional stain resistance.

Rosette 2327

Contents: 100% Polyester

bleach cleanable

The diving board for inspiration in which the collection came to be, this wild and true-to-nature pattern draws from the beauty of the animal kingdom, echoing the mesmerizing pattern of a leopard. With a soft, tantalizing touch, Rosette is a boucle fabric with an exquisite, dappled appearance that makes a statement in 7 stunning colorways. From the bold and fiery hues of Leopard to the serene and subtle shades of Spotted Xolo, Rosette invites you to create dramatic, eye-catching spaces. Made from 100% Polyester, Rosette has an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck) and is bleach cleanable. Embrace the bold and let your creativity run freely in hospitality spaces with this lively pattern or sprinkle elegant, soft accents in residential designs for a splash of color and pattern. Pair with its sister fabric Darsha for a rich and textured look in design interiors.

Stellula 6507

Contents: 100% Polyester

bleach cleanable

Be dazzled by Stellula, a texture that dances with a minimal pattern in bold contrasting hues. Named after the enchanting movements of a Hummingbird, it is as dynamic as it is beautiful. With two dueling colors, it introduces a captivating sense of movement throughout the fabric, achieved via a clever contrast of smooth and textured yarns. Brace yourself for an explosion of joy with Stellula's 8 happy colorways, including the zestful Candied Orange and cheerful Wasabi. An exceptional choice for contract interiors and healthcare applications, Stellula passes 100,000 Double Rubs (Wyzenbeek, Cotton Duck) for unbeatable abrasion resistance. Furthermore, it's bleach cleanability and acrylic backing make it a dream for design spaces craving a touch of textural allure. You can also opt for a PFAS-Free Stain Repellent for design spaces in need of additional stain resistance.

Tulliana 2328

Contents: 100% Polyester

bleach cleanable

Meet Tulliana, the vivacious sister fabric to Rosette. Boasting a larger, interpretive floral pattern, it's a sensational alternative that's brimming with personality. Imagine a leopard print pattern that has been artistically transformed into a stylized organic design with groovy charm. Tulliana is an abstract masterpiece with a contemporary twist, available in 8 vibrant colorways that are just waiting to brighten up your space. Tulliana is made from 100% Polyester with an impressive abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), and is bleach cleanable. Pair with Rosette for pattern-on-pattern designs or let Tulliana's playful floral design make a bold statement on its own in contract, hospitality, and residential settings.

Indoor/Outdoor Upholstery

Jardin 1208

Contents: 100% Solution-Dyed FR Polypropylene

bleach cleanable

Jardin is a spectacular design inspired by the elegant ivy twirling over iron gates in majestic French gardens. The only indoor/outdoor option in our Beautiful Species collection, flaunting dual-toned colorways and an entrancing geometric vertical stripe, Jardin speaks to Brentano's years of ever evolving design excellence. Its exceptional design merges four artistic styles, using two contrasting colors (one in the weft and one in the warp) to spark an irrefutable visual allure. Jardin not only has IMO Wheelmark certification, but also guarantees immense toughness with a resistance of 100,000 Double Rubs (Wyzenbeek, Wire Screen). Bleach cleanable and bacterial resistant, Jardin comes in 8 colorways ranging from the stylish Sedona to the more vibrant Paddy Field. Pair with rattan outdoor pieces for an extravagant display of comfortable luxury, or kick your feet up and relax with Jardin at a poolside cabana, with this versatile design.

Upholstery

Stampede 7527

Contents: 71% Viscose, 29% Polyester

The crown jewel of the Beautiful Species collection, Stampede is nothing short of a masterpiece for luxurious residential interiors. Blending soft touch with modern style, Stampede's high-density warp creates intricate details. Available in 8 striking colorways, including the captivating Jerboa and River Run, Stampede is sprinkled with soft metallic accents that add a touch of glamour. But it's not just about beauty - it's about durability too. Flatwoven Stampede boasts an impressive abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), thanks to its Viscose and Polyester blend. Inspired by the grandeur of an aerial view of a herd of animals, Stampede offers an authentic essence of grace for residential and hospitality spaces. It infuses a blend of elegance and refinement into sophisticated interiors, making them feel inviting and regal.

Byzantina 8710

Contents: 47% Polyester, 45% Post-Consumer Recycled Polyester, 8% Linen

Introducing Byzantina, a captivating fabric named after a fuzzy, delicate bloom. Crafted from Post-Consumer Recycled Polyester, it's an eco-conscious choice that is also eligible for LEED points. Brentano's array of color neutral hues is elevated by Byzantina's 9 colorways, including warm shades like Berry Fizz and the calming colorway of sage in Oregano. These rich hues are poised to enhance any space. Byzantina boasts a robust abrasion resistance of 100,000 (Wyzenbeek Cotton Duck) with a knit backing. Byzantina stands as a genuine, eco-friendly solution that adds a touch of elegance to any space. This off-loom textile, with its soft touch and gentle texture, charmingly elevates both residential and commercial design environments.

Polyurethane

Aries 6818

Contents: 100% Polyurethane Face; Overall: 70% Polyurethane, 30% Nylon

On the heels of Taurus's phenomenal success, Brentano introduces a captivating matte vegan leather alternative – Aries. Rivaling its sister fabric Taurus, Aries is an attractive vegan leather choice, devoid of light-reflecting qualities. Just like Taurus, it comes in 11 much-loved colorways including Deep Olive and Almost Black, making Aries the perfect addition to design spaces craving deep, concentrated color, a marbled look, and low sheen. Picture Aries on your ottomans, headboards, or residential statement sofas. An abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), IMO Certification and an adequate lightfastness rating makes Aries a smart choice for design interiors. With its masculine vibe, practical comfort, and rich hues, Aries is all set to transform design spaces.

Galapagos 3993

Contents: 100% Polyurethane Face; Overall: 61% Polyurethane, 39% Nylon

Ink Safe™ bleach cleanable

Galapagos is a unique vegan leather and the successor to its popular counterpart, Jetset. It stands out with its glossy, pebbled texture that mimics the rugged surface of an Iguana. Available in 12 imperial colors, including the deep hues of Star Anise and Midnight, it's a visual feast for the eyes. But Galapagos is not just about looks; its bleach cleanable nature and excellent lightfastness make it a practical choice for areas with heavy footfall. With an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), this robust and stylish textile is perfect for high-traffic environments such as restaurants or hotel lobbies.

IMO Wheelmark certificate is required for all sea-going yachts and passenger ships that sail under the IMO/MED or MCA. IMO stands for "International Maritime Organization" and approval requirements are harmonized and specifically relate to the fire protection rating of the textile.
