

Romance - Spring 2025 Evy Collection

Introducing Evy, the perfect companion when you need to relax and recharge. With a name of Hebrew origin meaning "life" or "to breathe," Evy captures the essence of Brentano's Spring 2025 collection.

Where Beautiful Species captured attention with vibrant, expressive designs, Evy offers a moment of serenity, with textures that speak volumes through their subtlety and refinement. Designed for those seeking a perfect balance between elegance and performance, Evy is a collection that invites you to breathe life into your interiors, while providing the durability and high-quality craftsmanship that Brentano is known for.

Evy's textures are rich and varied, showcasing a harmonious mix of softness and depth that offers dynamic appeal without overwhelming the senses. Whether you're seeking a refined backdrop for a luxurious space or a quiet complement to bold accents, Evy is the versatile choice.

Performance Upholstery

Apricity 6512

Contents: 82% Polyester, 18% Polypropylene

bleach cleanable

Like the warmth of the sun in the dead of winter, Apricity brings a soothing, joyful touch to any space. This supple chenille fabric lives up to its name, enveloping you in comfort with its soft texture and stunning lustrous flecks that catch the light like sunbeams filtering through forest trees. The unique play between lush and matte yarns creates a rich, multi-dimensional look, offering both softness and sophistication. Available in a fruit cocktail of 12 stunning colorways, Apricity is perfect for adding a little sparkle to your design. Whether it's a cozy lounge chair, an elegant hotel lobby, or a stylish contract space, the vibrant hues and subtle shine create a dynamic yet calming atmosphere. Apricity also boasts bleach cleanability and an impressive abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), making it an excellent choice for high-traffic areas in contract, hospitality, and residential interiors. For additional stain resistance, a PFAS-Free Stain Repellent can be applied to cut yardage.

Lenis 7571

Contents: Pile: 50% Post-Consumer Recycled FR Polyester, 50% FR Polyester;
Overall: 53% Post-Consumer Recycled FR Polyester, 47% Polyester

bleach cleanable

Lenis is a sophisticated and luxurious fabric that exudes elegance. Whether you're designing for a chic hotel lobby, an upscale restaurant, or a luxurious residential interior, Lenis provides both aesthetic beauty and practical functionality for drapery and upholstery needs. Crafted from 50% PC Recycled FR Polyester and 50% FR Polyester, this fabric brings a rich, velvety sheen to any design project while also being an eco-friendly selection. The name "Lenis" is derived from the Latin word meaning "smooth," "calm," and "gentle," perfectly reflecting the fabric's soft, serene texture and subtle opulence and sheen. Available in 11 milky and soft colorways, including exquisite shades like Ibex and Sedona, Lenis offers versatility in both residential and commercial applications. Its impressive durability, with an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck), ensures it stands up to heavy use, making it ideal for high-traffic areas. Additionally, the fabric's bleach cleanability adds an extra layer of practicality, ensuring ease of maintenance without compromising its luxurious appearance. Lenis also meets rigorous safety standards, including passing Cal 117, NFPA 701, and IMO 2010 FTP Code Part 7 Drapery and Part 8 Upholstery, ensuring it is suitable for use in contract, residential, and hospitality spaces.

Indoor/Outdoor Upholstery

Pappus 9660

Contents: 74% Solution-Dyed Acrylic, 24% Solution-Dyed Polypropylene, 2% Polyester

bleach cleanable

Pappus is an exquisite and versatile fabric inspired by the delicate fluff and tufts of a dandelion, bringing both softness and dynamic texture to your design space. This indoor/outdoor fabric strikes the perfect balance between relaxed elegance and sophisticated charm, with six colorways making it ideal for a variety of residential and contract interiors. Crafted using a unique boucle technique, Pappus features a richly textured surface that offers an abundance of dimension and visual depth. The fabric's two-toned colorways, including Beige Lop and Golden Jackal, enhance the natural beauty of the weave and provide contrast, giving your space a timeless and classic sophistication. Designed with durability in mind, Pappus has an abrasion resistance of 50,000 Double Rubs (Wyzenbeek, Wire Screen), bleach cleanability and bacterial resistance, making it suitable for high-traffic areas and everyday use.

Indoor/Outdoor Upholstery (cont.)

Shiloh 1225

Contents: 100% Solution-Dyed FR Polypropylene

bleach cleanable

Bleach cleanable, bacterial resistant, IMO Wheelmark Certified, and indoor/outdoor application with an abrasion resistance of 80,000 Double Rubs (Wyzenbeek, Wire Screen) are just a few of the standout qualities of Shiloh. Hebrew for tranquil abundance, Shiloh plays off its namesake with pops of color created in contrasting tones throughout its speckled design. An agreeable texture, Shiloh easily coordinates with both patterns and textures alike for seamless use in design spaces. Poolside cabanas and rooftop patios are equally at home with Shiloh's 8 muted neutrals including Spiced Rum and Edinburgh, that feature a soft hand and contrasting colors for added interest. Easily pair with the simple herringbone pattern of Whisper for added layers of dimension in soft, textural designs spaces.

Whisper 1242

Contents: 60% Polyester, 40% Solution-Dyed FR Polypropylene

Experience the luxury of the outdoors like never before with our incredibly plush, outdoor chenille, aptly named Whisper. It's not just a fabric, it's a statement with its classic herringbone design that beautifully mimics the ebbs and flows of a conversation. Available in 6 soft neutrals, Whisper has an abrasion resistance of 90,000 Double Rubs (Wyzenbeek, Wire Screen). It is the perfect choice for both inside and outside spaces. Imagine Lakeside living getting a boost of style and comfort with Whisper. It's like bringing the coziness of home to the great outdoors! Whether you're cuddling in a garden gazebo or gazing at the twinkling lakeshore lights, Whisper brings the essence of timeless design right to you. Fall in love with Whisper, where comfort meets style in the most exciting way.

Yori 1216

100% Solution-Dyed FR Polypropylene

bleach cleanable

Meet Yori, a name that signifies reliability in Japanese and stands true to its name with its consistent and steadfast horizontal banding. The melody of Yori comes alive with slight textural changes in 8 engaging colorways including Genet and Wakame. But it's not just about looks, Yori is robust, boasting an abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Wire Screen), bleach cleanability, bacterial resistance and is IMO Wheelmark certified. For an added dash of creativity, Yori can be railroaded for a vertical stripe on outdoor lounges, accent pillows, or tailored headboards.

Upholstery

Daintree 5014

Contents: Pile: 100% Viscose; Overall: 76% Polyester, 24% Viscose

Join the party in our botanical-filled fabric jungle we like to call Daintree, named after Australia's largest stretch of tropical rainforest. This punchy fabric is a colorful cocktail of print and woven motifs, served up in four attractive colorways. Think of Daintree as a velvet chameleon, subtly changing its hues to create a playful dance of colors across its design. Daintree isn't just a feast for the eyes, it's also resilient boasting an impressive abrasion resistance of 100,000 Double Rubs (Wyzenbeek, Cotton Duck). Try the Jungle Canopy colorway for a splash of vibrant greens and blues, or go bold and dramatic with Coral Bells, perfect for dynamic dining spaces. No matter the selection, this large-scale repeat is certain to delight.

Indoor/Outdoor Polyurethane

Hush 4245

Contents: 100% Silicone Face; Overall: 60% Polyester, 40% Silicone

Ink Safe™ bleach cleanable

Hush is a showstopper that deserves to be shouted about! Don't let the soft, quiet name fool you; this stunning silicone is all about bold beauty and undeniable presence. With 15 absolutely gorgeous, inviting colorways, it's nearly impossible to look away. Hush combines the visual texture of woven fabric with a luxurious, supple hand of silicone, creating a two-toned wonder that feels as good as it looks. Its minimally textured surface, complete with raised notches, gives it a tactile charm that invites touch, while its refined pattern exudes elegance—perfect for both indoor and outdoor applications. But don't just admire it from afar. Hush is built to last, with an impressive 100,000 Double Rubs (Wyzenbeek, Cotton Duck), a double-knit backing, and an eco-friendly construction. With inherently Ink Safe capabilities, Hush ensures durability and longevity. Made to withstand the wear and tear of everyday life, Hush passes IMO 2010 FTPC Part 8 upholstery, is bleach cleanable, bacterial resistant, and cigarette burn resistant, keeping its beauty intact for years to come. Whether gracing an outdoor patio with its resilient luxury or dressing up a sophisticated dining chair, Hush brings durable elegance wherever it goes.

Polyurethane

Aldrin 6825

Contents: 100% Polyurethane Face; Overall: 52% Polyurethane, 48% Polyester

Ink Safe™ **bleach cleanable**

Aldrin is a tribute to Buzz Aldrin's historic moonwalk, capturing the serene beauty of the Sea of Tranquility. With 10 classy colorways including Linen and Oxford Navy, Aldrin is part of Brentano's collection of sophisticated color neutrals, featuring the studio's unique "pastel autumn" palette. This two-toned faux leather offers a luxurious, leather-like feel thanks to advanced technology, with a smooth, supple hand that stretches like the real thing. Ink Safe™ and bleach cleanable, Aldrin boasts an impressive 100,000 Double Rubs (Wyzenbeek, Cotton Duck) for durability. Ideal for high-use areas like dining chairs, Aldrin combines style with practicality, making it a perfect choice for chic, easy-to-maintain interiors.

Wallcovering

Catalonia V114

Contents: 100% Olefin Composite Face; Overall: 85% Olefin Composite, 14% Polyester, 1% Cotton (20% Post-Industrial Recycled Content)

PVC-Free **bleach cleanable**  **green**

Surround yourself in the serene beauty of Catalonia, an eco-conscious PVC-Free Type-II wallcovering that brings the calming essence of nature into your home. Inspired by the breathtaking landscapes of northeastern Spain known for cork production, Catalonia mirrors the intricate textures of cork and birch bark, creating a visual and tactile experience that's as soothing as it is striking. The design evokes a delicate dance between warm and cool tones, gracefully transitioning across the surface like the subtle colors of a peaceful forest. From a distance, Catalonia offers a matte, soft-spoken elegance, but as you get closer, the true magic unfolds—each ridge and detail mimics the natural depth and richness of real birch bark, bringing a touch of organic wonder to your walls. Available in 8, bleach cleanable colorways, including the placid Celestite and the earthy, noble tones of Black Birch, Catalonia offers a timeless, tranquil vibe perfect for spaces that need a touch of quiet luxury.

Montado V115

Contents: 96% Olefin Composite, 4% Metalized Polyester Face;
Overall: 67% Olefin Composite, 19% Polyester, 11% Cotton, 3% Metalized Polyester

PVC-Free **bleach cleanable**

Transform your space with the stunning allure of Montado, a PVC-Free bleach cleanable Type-II wallcovering that brings a splash of glamour to any room. Inspired by the breathtaking cork forests of Portugal's Montado region—home to nearly half the world's cork production—this wallcovering is a tribute to natural beauty, reimagined in bold, artistic design. With its intricate blend of cork and shimmering Mylar flecks, Montado captures light and attention in the most unexpected, dazzling ways. Available in eight striking colorways like vibrant olive and gold, Montado offers the perfect tone for every taste and application. Whether you're dressing up a cozy kitchenette with quiet sophistication or making a jaw-dropping statement in high-traffic corridors, Montado is the ultimate way to add flair, warmth, and rich texture to your space.

IMO Wheelmark certificate is required for all sea-going yachts and passenger ships that sail under the IMO/MED or MCA. IMO stands for "International Maritime Organization" and approval requirements are harmonized and specifically relate to the fire protection rating of the textile.
